Games in Rotation Order Wednesday, November 5th

BALL STATE 25 Kent State 21. Ball State is slightly better in ypp, ypg and ppg margins and have played comparable schedules. We've seen this line go from Ball State -1.5 to -3 in the last 24 hours and we agree with the move as bet Ball State -2.5.

TOLEDO 28 Northern Illinois 14. Toledo has lost 18 times outright as a favorite since 2021 including three this year. 12 of those losses have comes as a favorite of at least 7 points. By far the most in the nation during that span. With that being said, it is a bad matchup for a NIU offense that ranks No. 134 in ypp facing a Toledo defense that ranks No. 3 in ypp. We did bet NIU +14.5.

Thursday, November 6th

SOUTH FLORIDA 39 Utsa 27. UTSA comes in off their best performance of the season as they upset Tulane 48-26 as 6-point home underdogs. UTSA is now 32-4 at home under Jeff Traylor. The problem...this game won't be played in the Alamodome. USF is fresh off a by after blowing a 14-point 4Q lead to Memphis in their last outing. Will they keep the foot on the pedal here? Market seems to think so. We're passing.

APPALACHIAN STATE 32 Georgia Southern 28. "Deeper Than Hate" rivalry with Appalachian State leading the series 21-16-1. An important game for both if either wants to make a bowl game. The Georgia Southern No. 133 defense concerns us but GS is the better running team and has played the much tougher schedule (No. 87 vs No. 123). We bet GS +6.5.

Friday, November 7th

CENTRAL FLORIDA 25 Houston 24. Houston comes in off the upset loss to West Virginia as 13.5-point favorites. That pretty much sealed their fate when it came to the Big 12 and the playoffs. They're facing a UCF team that took a lot of steam in the market last week vs Baylor only to lose 30-3. UCF is the more explosive team (+1.4 vs +0.6 in ypp margin). We lean with them here despite Houston having the coaching edge.

MEMPHIS 30 Tulane 26. If the playoffs started today, Memphis would be traveling to Georgia in the first round. We don't think the Tigers are a safe bet due to a tough final 3-games. It starts here vs a Tulane team smarting from an upset loss at UTSA. Tulane has played the much tougher schedule (No. 54 vs No. 122). Early money has been on Tulane and we're a part of it as we bet Tulane +7.5. We prefer OVER at current.

USC 32 Northwestern 18. A tough spot for USC playing on short rest after traveling while Northwestern is fresh off a bye. Kudos to the Trojans for winning a Big Ten road game last week BUT they didn't cover and benefited greatly from Nebraska's QB Raiola getting hurt (USC trailed 14-6 at that point). Northwestern as a big dog already covered vs Oregon and they won outright at Penn State. Their slow tempo (No. 130) and solid defense (No. 13 in scoring) plays into it. We bet Northwestern +15.5.

<u>Saturday, November 8th</u>

EAST CAROLINA 41 Charlotte 14. Charlotte has 14 players that were in the summer 2-deep out for the season. However, they did get a bye to lick their wounds a bit. A lot of the other AAC teams get the publicity but we've upgraded ECU 9 points since the start of the year. Our power ratings like Charlotte here but we can't get to the window. FLORIDA ATLANTIC 32 Tulsa 28. Similar profiles here. Both have first-year coaches and both are 4-4 ATS and are off a bye. Tulsa is slightly better in ypp margin (-0.5 vs -0.6). Both teams run fast tempo (Tulsa No. 7 in plays per minute while FAU is No. 2). Neither offense has been extremely efficient though. We lean UNDER.

Florida 24 KENTUCKY 20. Despite Georgia taking a knee instead of scoring late that irked many Bulldog backers, the Gators were the right side and could have won the game outright. That was the one-game interim bump. Will they come back to earth here? Kentucky has had some good performances in recent weeks nearly upsetting Texas and then upsetting Auburn as 12-point underdogs last week. Market likes Kentucky, our power ratings lean Florida. We haven't bet side or total. **ARMY 27 Temple 21.** Army kicked a FG on the final play to beat Air Force last week. They are 0-3 ATS at home this year. Meanwhile, Temple comes in off their worst performance of the season as they were crushed by East Carolina. The Owls did face Navy earlier this year and should have won the game outright (Navy scored a long TD in the final minute). Temple is better in the stats (-0.2 vs -0.6 in ypp margin). We haven't bet side or total.

HOME TEAM IN CAPS James Madison 35 MARSHALL 22. JMU has been super impressive with a 6-2 ATS mark this year covering their games by 8.4 points per game. They have destroyed their last two opponents in the second half (ODU and Texas State) outscoring them 59-0. Both those teams are better than Marshall. If you're looking to fade JMU...maybe do it in the first half. We bet OVER 52.5 and still lean that way. Marshall has seen their last five games go OVER by an average of 21.9 ppg.

COASTAL CAROLINA 31 Georgia State 26. Georgia State is 1-7 ATS failing to cover their games by an average of 10.4 ppg. We still bet them +7.5 here. It is more of a fade against a Coastal Carolina team that has been favored in one game this year, yet the Chanticleers have five wins. Coastal is -93 ypg on the season, the same as Georgia State despite playing a much weaker schedule.

WEST VIRGINIA 28 Colorado 24. If this game were played a few weeks ago, Colorado would have been a TD favorite. However, after a pair of blowout losses where the word "quit" is starting to float around Colorado, we have WVU favored by a TD. It also reflects a WVU team that won outright as a 13.5-point dog last week at Houston. We've downgraded Colorado 8 points the last two weeks and we still can't get to this number.

Smu 32 BOSTON COLLEGE 21. Tough spot here for SMU coming off one of their biggest wins in 40 years last week over Miami in OT. The Ponies have been outgained on the season despite a 6-3 record. Boston College has given Louisville and Notre Dame fits the last two weeks trailing by one possession in both games in the fourth quarter.

CLEMSON 29 Florida State 27. The stats say FSU is the play here as the Noles are +2.3 in ypp margin while Clemson is +0.9. The Tigers have lost six straight home games to Power 4 conference teams. Yes, you read that right. SIX straight. It wasn't that long ago, the Tigers had won 40 straight at home. FSU played their best game since the opener last week in a blowout vs Wake. Tough forecasting which Noles team will show up. Pass.

LOUISVILLE 35 California 16. Cal backers suffered a tough break last week as a "pick 6" in the final minute did them in vs Virginia. More concerning is this Cal OL that has gotten manhandled in recent weeks. The Bears are only averaging 42 rushing ypg the last 4 games and have allowed 14 sacks. Louisville has taken the money so far but we're not involved. Louisville starting RB Brown is out.

MIAMI, FL 38 Syracuse 9. Dating back to last season, Mario Cristobal is just 7-5 in his last 12 games losing outright as a big favorite four times. That includes last week's loss to SMU that basically eliminated Miami from the CFB Playoffs (see their No. 18 ranking last night). Syracuse started a walk-on QB last week. He went 4 of 18 for 39 yards. What Miami team will show up?

NORTH CAROLINA 25 Stanford 19. Don't look now but North Carolina is starting to show improvement. The Heels should have beat both Cal and Virginia but fumbled at the goal line. Last week, they easily controlled Syracuse. Stanford has been feisty this year but that's been at home. On the road, they are -23 ppg and -147 ypg. Still, it's tough laying more than a TD with a NC offense that ranks No. 128.

Indiana 31 PENN STATE 18. Indiana is starting to get priced like the top team in the country. Penn State was +17.5 at Ohio State last week. Now they are +15 at home to Indiana. The Hoosiers are No. 1 in ypg and scoring margin. We haven't seen quit from Penn State though as they trailed Ohio State by only 3 at halftime. This seems a bit pricey.

Ohio State 38 PURDUE 10. Remarkably the Buckeyes are on a 11-0-1 ATS run since losing to Michigan last year. You would think you'd start paying premiums on their point-spreads. However, the market bet them from 20.5-point down to 17.5-point home favorites vs Penn State last week. Purdue showed a ton of fight in a 5-point loss at Michigan. We haven't bet side or total here.

Maryland 29 RUTGERS 28. We're a little surprised Rutgers has received some support in the market so far this week. Maryland is the far superior team statistically as they are -0.1 in ypp margin while Rutgers is -1.9. Maryland has the much better defense allowing 5.3 ypp (No. 52) vs Rutgers' defense allowing 7.5 (No. 135).

VIRGINIA 29 Wake Forest 22. Virginia is the most fortunate team in the country. Bill Connelly's post-game win expectancy numbers have them with 5.2 wins, not 8! Wake is coming off their worst performance of the season though. Will that be a trend or will they be pesky like they were vs Georgia Tech and SMU? We lean OVER.

EASTERN MICHIGAN 26 Bowling Green 22. BG has lost 3 straight games and failed to cover the spread by 3 TD's per game. They fired their OC, could be starting a 4th string QB here and had three players get arrested for assault. Meanwhile, EMU comes in off a bye and had covered three of four prior. We like EMU here.

before. Georgia got off to a slow start but pulled out a close win. It's happened four times this year. Last week they trailed Florida 20-17 in the fourth quarter but won 24-20. Their backers wanted more but QB Stockton fook a knee at the one-yard line instead of scoring (see page 1). They're taking on a Mississippi State team that is 8-1 ATS this year. We bet Georgia -9.5 on the look-aheads last week. Georgia disappointed, Mississippi State pulled an upset over Arkansas. Safe to say, we got a bad number.

LIBERTY 28 Missouri State 22. Liberty had one of the weaker offenses in the country heading into last week's game but put up 59 points on Delaware (we bet Delaware). Missouri State has been much better than expected in their first year of FBS play. We lean Mo State. RICE 30 Uab 26. Rice comes in off a 38-14 loss to Memphis. The same Memphis team that UAB upset a few weeks ago. Did the Blazers just get a one-game interim bump? They fell at UConn by 19 last week but the yards wer close (374-372 but UAB was -3 in turnovers). UAB has much better ypp margin (-0.4 vs -1.1) and have played the tougher schedule. Market likes them here but we prefer OVER.

TCU 31 Iowa State 25. Iowa State started the season 5-0. That feels like an eternity ago as the Cyclones have lost their last 4 games and also failed to cover them by an average of 11.5 ppg. Last week they allowed a backup QB to run for 228 yards against them (ASU's Jeff Sims). Now they're back to their preferred underdog role. TCU comes in off a bye. We haven't bet side or total.

Texas A&M 28 MISSOURI 20. Missouri will be down to a 3rd-string true freshman QB in Matt Zollers here. We don't think the market downgraded the Tigers enough here. We bet Texas A&M -4.5 and -6.5 who is off a bye and off their best performance of the season (destroyed LSU in second half on road).

TEXAS TECH 32 Byu 21. The biggest game of the year in the Big 12 (so far). Both rank in the CFB Playoff Top 8 and ESPN College Gameday will be there. 8-0 BYU has far exceeded expectations this year but do have a couple of fortunate wins. Texas Tech ranks No. 4 in ypp margin and No. 2 in scoring margin and that's with their starting QB missing several games. He returned last week and they easily handled Kansas State. We bet Texas Tech -8.5 in their biggest home game since Texas in 2008.

VANDERBILT 27 Auburn 20. Vanderbilt trailed Texas 34-10 last week but found a way to get a cover as they lost by 3 (see page 1). They need to win out to have a chance at the CFB playoffs. They're facing an Auburn team who fired head coach Hugh Freeze. Teams have gone 7-2 ATS in the first game after firing their coach this year. Vandy is also 7-2 ATS though and has more to play for. We bet Vandy -6.5.

ALABAMA 30 Lsu 20. We think the firing of Brian Kelly will be "addition by subtraction" for LSU. He was never a good fit in Baton Rouge and as more stories will come out in the coming months, he was simply collecting a paycheck. We expect LSU to play one of their best games of the season. Alabama has won 7 straight since losing to FSU in the opener but they've been outgained in each of their last three.

Texas State 31 UL-LAFAYETTE 29. Texas State has failed to cover the spread in six straight games. It's the second year in a row where they've been a disappointment. ULL is off one of their best performances, an upset over South Alabama. We lean ULL and UNDER if you can find a "+3"

Oregon 26 IOWA 18. One of the more intriguing games especially with the CFB Playoff committee ranking Iowa at No. 20. The Hawkeyes have been very well as of late and they played Indiana tougher at home than Oregon did at home. Still the Ducks are the far superior team. They are +3.3 in ypp margin while Iowa is +1.1 (schedule strength similar). These two have four common Big Ten opponents already. Average line in those games was Oregon -13, Iowa "pick". That would infer a point-spread that should be closer to 10 here. We bet Oregon -5.5.

Washington 28 WISCONSIN 17. Both teams come in off a bye. Washington still has some CFB playoff hopes and should head into the Oregon game at 9-2. Speaking of Oregon, Wisconsin only lost by 14 at Oregon in their last game. While the Badgers offense ranks No. 135 in ypp, ypg and scoring, their defense has fought valiantly. We didn't bet side or total.

Unly 32 COLORADO STATE 26. UNLV seems like a great OVER team right now but the market is finally starting to adjust. Their offense ranks 15th in scoring while their defense is No. 134 in total D and No. 126 in scoring. Not sure if that translates here vs a Colorado State team with an interim coach that got shutout in their last game. We haven't ering their games by 15 ppg. We bet them this week but this number bet side or total.

Georgia 33 MISSISSIPPI STATE 23. Tell us where you heard this ARIZONA 29 Kansas 25. Kansas concerns us a bit right now. They got crushed by Texas Tech and Kansas State and then only outgained Oklahoma State by 26 yards last week. Meanwhile, Arizona is off a dominant win and cover over Colorado. We did think the early line of "6" was too high and so far the market agrees.

Louisiana Tech 29 DELAWARE 26. We bet Delaware last week. Safe to say, it was abysmal failure as the Blue Hens D gave up 59 points to a Liberty offense that came in averaging 19 ppg! Meanwhile, Louisiana Tech crushed Sam Houston State. We faded LT in the game. We must have not learned our lessons from last week as we bet Delaware again here. The market disagrees.

Florida International 26 MIDDLE TENNESSEE 25. Both teams are -0.7 in ypp margin but FIU has played the slightly tougher schedule and is the better running team. Our power ratings have this game right at the number. Pass.

UTEP 26 Jacksonville State 25. We think UTEP is a sneaky-good bet this week. The Miners should have covered their game against Kennesaw last week (see page 1). UTEP is better in ypp margin (+0.1 vs -0.1) and has played a slightly tougher schedule (No. 130 vs No. 138). We bet UTEP +3.5 and we'll call for the outright upset.

SAN JOSE STATE 34 Air Force 30. Air Force has had a "tough luck" season as they lost another close game last week, this time to rival Army on the final play. San Jose State has been a disappointment this season but is off their best game as they beat Hawaii in a shoot-out. We bet them here -2.5 but the value has dried up. Total seems a bit high.

Nebraska 24 UCLA 23. One factor handicap here. How much is Nebraska QB Dylan Raiola worth to the point spread? He is out for the season and looked very valuable considering how bad the backup was in the second half vs USC last week. With that being said, we bet Nebraska +1.5. Far superior team (+1.1 vs -0.3 in ypp margin).

Duke 35 CONNECTICUT 26. Duke comes in off their first win at Clemson since 1980. It was a back-and-forth game that saw the Blue Devils convert all five 4th down attempts and also the game-winning 2-point attempt with :40 left to win by 1. They were outgained 560-439. Connecticut has already upset ACC Boston College this year and should have upset Syracuse. Last year they only lost by 5 at Duke. They won't be intimidated. We bet Connecticut +13.5 but the value has dried up. We prefer UNDER at current.

Southern Miss 29 ARKANSAS STATE 26. Both teams should have worse records. Southern Miss is 6-2 on the season but has only outgained their opponents by 17 ypg. Arkansas State has pulled four straight outright upsets. They are -1.1 in ypp margin (No. 123). When we don't like either team, we always defer to the power ratings and for the first time in weeks, it backs Arkansas State.

Kennesaw State 29 NEW MEXICO STATE 20. Kennesaw State was expected to be one of the worst teams in CUSA this year. They were 50/1 to win the league. Now they're 4-0 in league play and less than 2/1 to win the league. Can they handle expectations? They might have covered as a big favorite last week but didn't deserve to (see page 1). New Mexico State is among the most banged up teams in the country though. We bet Kennesaw -6.5.

UTAH STATE 31 Nevada 21. Both teams come in off a bye. Utah State still has bowl hopes at 4-4 (6-2 ATS). Nevada at 1-7 does not. Market seems to like Nevada here though as the line has gone from Utah State -11 to -9. We're in the middle.

NOTRE DAME 42 Navy 17. ND has dominated the series with a 81-13-1 mark with the famous 43-game win streak. While Navy had a 15-year stretch where they won four games vs ND and lost five others by less than a TD, ND has regained control winning five of the last 6 by at least 22 points including 42-3 in Ireland two years ago and 51-14 last year in New Jersey. This is the first time in four years they're playing at ND. This is the biggest strength of schedule disparity (ND No. 13 vs Navy No. 146) in CFB this week. Navy lost their first game of the season last week and it was their first game vs a Top 90 team in our power ratings this season. Can ND take advantage of their red zone trips? They rank No. 125. ND money usually shows late in the week so we'll wait to see what kind of number we can get on Navy.

OREGON STATE 35 Sam Houston State 17. Oregon State has covered two straight with the interim coach including an upset over Washington State last week. They're playing a Sam Houston State team that is 0-8 straight up and 1-7 ATS failing to cover by 13 ppg. Pass.

San Diego State 28 HAWAII 23. After Boise's shocking loss to Fresno, San Diego State is now a minus-money favorite to win the Mountain West! The Aztecs were 40/1 in the summer. They are 7-1 ATS covhas climbed significantly.

Week 11 Computer Projected Lines for Every CFB Game

For the past eight seasons we have posted computer projected lines for every game on Wednesday. Games where there was of difference of more than 3 points saw our computer lines actually beat the Vegas line at a 506-441-14 (53.4%) clip! Last week our computer went 1-1 and for the season now stands at 17-25-2. That's pretty solid and actually better than our own handicapping in some seasons. Keep in mind, these computer lines don't take into consideration off-the-field factors like revenge or flat spots or if there are late-week injuries. They are basically a power-rating number difference between the two teams that also takes into consideration the home field advantage.

Of the 2 games where our computer is off more than 3 points compared to the Vegas line (highlighted), our favorite team this week to back would be Arkansas State +4.5.

The Comp column is the computer projected line and the Diff column is the difference between the Vegas line and the Computer line. "+" numbers in the difference column say back the underdog. "-" numbers in the difference

Betting CFB Openers

Every Sunday in Vegas at 11am PT, Circa Sports is one of the first books in the world to release CFB lines and we bet them every week. We think it's the best value bets we make all week. 2020 was the first season where we tracked every single bet we made and posted them in the weekly newsletters. We were very pleased with our 119-76-3 (61%) record on these Sunday bets with an average line value of 2.6 ppg! In 2021, we were 224-196-5 (53.3%) vs the Circa openers with an average line value of 1.8 ppg. In 2022, we were 314-262-14 (54.5%, CLV 417-122-51 +1.65 ppg). In 2023, we were 405-358-6 (53.4%, CLV 577-137-55 +2.09 ppg). So far this season we are 157-127-1 55.3% (CLV 214-52-19 +1.82 ppg) Below is some of what we bet already for Week 11 which includes bets we made in the summer for this week.

Versus Circa Sports Opening numbers:

If you got in front of every 3-point or more move in the FBS vs FBS markets (sides and totals)... congrats you are 193-137-1 (58.5%) this year.

If you faded every 3-point or more move right before kickoff...congrats you are 172-153-6 (52.9%).

Numbers matter!

Games in Rotation Order Thursday, November 7th

DENVER 25 Las Vegas 15. Denver comes in winners of six straight including four by four points or less. The Broncos are 4-0 this year in games they trailed entering the fourth quarter. They did benefit from Houston QB CJ Stroud getting hurt early in the game. They're taking on a Las Vegas team that has lost six of their last seven games going 1-5-1 ATS in the process. The Raiders 2-point attempt was no good and they lost by 1 in OT to Jacksonville last week. Now traveling on a short week vs a Denver defense that ranks No. 1 in ypp allowed. We lean UNDER.

Sunday, November 9th

† Indianapolis 27 Atlanta 21. @Olympic Stadium in Berlin, Germany. Atlanta comes in losers of three straight. Their rally at New England last week fell short as they missed the extra point. Meanwhile, Indianapolis comes in off their 2nd loss of the season. It was misleading as the Colts had a 368-225 yard edge vs the Steelers but were done in by SIX TURNOVERS! The Colts have played a weak schedule (No. 30) but rank No. 3 in ypp margin and rank No. 20 in DVOA. For now we're sitting on the sidelines.

Cleveland 20 N.Y. JETS 17. Both teams come in off byes. The Jets are slightly better in the stats at -0.6 ypp margin and a No. 29 DVOA ranking compared to Cleveland's -0.7 ypp margin and No. 30 DVOA ranking. The Browns have played the much tougher schedule (No. 3 vs No. 22). We saw a big move in the market yesterday though as the "fire sale" in New York has begun. The Jets traded Sauce Gardner and Quinnen Williams and in return got three first round picks and a second round pick. Good news for the 2027 Jets and beyond, no so good news for the 2025 Jets.

CAROLINA 21 New Orleans 17. Both teams are -0.6 in ypp margin and the Saints have played the tougher schedule (No. 7 vs No. 24). The teams are trending in opposite directions though as the Saints are 1-8 SU, 2-7 ATS and have lost and failed to cover in four straight. Meanwhile, Carolina has won and covered four of their last five games. The highlight coming on Sunday when they upset the Packers as 13-point underdogs. This is only their 3rd favorite role in the last two years and it's the only time they've been favored by more than a FG. We lean Saints.

Buffalo 29 MIAMI 21. These two met on September 18th with Buffalo winning 31-21 as a 11-point home favorite. The Bills come in off their biggest win of the season as they upset the Chiefs 28-21as 2.5-point home underdogs. It was their 5th straight win over Kansas City...in the regular season (4 straight post-season losses to them). OB Josh Allen set the Buffalo record completing 23 of 26 passes. Miami is 2-7 SU and heading towards big changes in the off-season. Still, we don't think they have quit on the season.

Jacksonville 19 HOUSTON 18. This is really a one-factor handicap surrounding the status of Houston QB CJ Stroud who is in concussion protocol. Last week, the Texans struggled with Davis Mills at QB including a period with six consecutive punts. Jacksonville comes in off the OT win at Las Vegas where they stopped the Raiders' 2-point attempt. Jags kicker Cam Little set an NFL-record with a 68-yard FG during the game while Houston's kicker hit five FG's last week. Houston is better in ypp margin (+0.3 vs -0.4) and they've played the tougher schedule. Just before we went to press on Wednesday afternoon, CJ Stroud was donwgraded to unlikely to play.

Baltimore 28 MINNESOTA 23. Lamar Jackson returned and threw four TD passes as the Ravens beat Miami 28-6 last Thursday. The Ravens are 3-5 but the favorite in the AFC North. They're taking on a Minnesota team off their best performance of the season. Week 9 To The Vikings upset the Lions as 9.5-point underdogs. Baltimore has the better ypp and DVOA despite Jackson missing three games. Totals' players note that the two teams are a combined 13-3 to the OVER this year. We like the OVER.

TAMPA BAY 25 New England 21. Tampa Bay is coming in fresh off a bye while New England is playing a 10th straight week. The Patriots have won six straight games (5-1 ATS) but have played the weakest schedule in the NFL. The Bucs are slightly better in DVOA and Sagarin and have played the No. 8 schedule according to Sagarin. We think they are the slightly better team in one of the best situational spots this week. We like them under a FG.

HOME TEAM IN CAPS CHICAGO 26 N.Y. Giants 23. The Bears won a wild game over Cincinnati last week. They led 41-27 with under three minutes left. Cincinnati got a TD and a 2-point conversion and recovered an onside kick. The Bengals scored a TD to go ahead with :54 left but the Bears got a 58-yard TD pass with :17 left. Chicago is now 5-3 but fraudulent as they are -0.5 in ypp margin. The Giants are -0.8 in ypp margin but have played the much tougher schedule (No. 1 vs No. 21 in Sagarin SOS). We lean Giants and OVER.

SEATTLE 27 Arizona 20. The Seahawks are possibly the best team in the NFL but are not getting priced that way. They are No. 1 in vpp margin at +1.6. They are No. 1 in DVOA. In fact, they have the 4th best DVOA after 8 games in NFL history. The top 3 teams were 8-0, so at 6-2, the Seahawks are a bit undervalued. They crushed Washington last week with a +4.0 ypp margin (WAS QB Daniels did get hurt). They're taking on an Arizona team off their best win of the season as they upset the Cowboys on MNF. The Cardinals are better than their 3-5 record as all five losses have come by 4 points or less. Seattle won the first matchup 23-20 on the road as 1-point road favorites.

Detroit 30 WASHINGTON 20. The Detroit Lions are 12-0 ATS off a loss covering by 12.8 points per game. They had their worst performance of the season on Sunday losing outright to the Vikings as 9.5-point home favorites. On the other side, Washington's season is done with QB Daniels out. The Commanders have lost four straight and have failed to cover four straight with each of the last three coming by at least 21 points. We like the Lions who also have revenge for a playoff upset loss to the Commanders.

L.A. Rams 27 SAN FRANCISCO 22. The Rams have revenge for losing to the 49ers 26-23 in OT back on October 2nd. The Rams were favored by 8 points and fumbled at the goal line. They should be the fresher team as two weeks ago they had a bye and then they easily dispatched the Saints as 14-point favorites Sunday. Meanwhile, the 49ers have been on the road four of the last five weeks and are playing their 10th straight week. The Rams are No. 3 in ypp

margin (+1.1) and No. 3 in DVOA. L.A. CHARGERS 25 Pittsburgh 21. Inside-out handicap here. The Steelers come in off an upset win over the Colts. It was misleading as they were out-gained 368-225 and were -1.3 in ypp margin. Pittsburgh was +5 in turnovers. Meanwhile, the Chargers had a misleading 7-point win over the Titans. It should have been worse as Los Angeles had a 393-206 yard edge. Tennessee got a 24-yard interception return TD and a 67-yard punt return TD in the game. The Chargers did lose LT Joe Alt for the season and they are just 1-5-1 ATS in their last seven games. We still think they are the better team (+0.5 in ypp margin vs -0.4) but wonder if the Steelers will have as many fans in the stands.

Monday, November 10th

GREEN BAY 25 Philadelphia 23. Saving the best game for last in Week 11 as this could be a NFC playoff game down the line. The Eagles come in off the bye but are still -0.1 in ypp margin despite their 6-2 record. The Packers were probably looking ahead to this game as they suffered an upset loss to the Panthers on Sunday as 13-point home favorites. The Packers have covered just once in their last six games. They are No. 2 in ypp margin. Not sure if we will be heavily involved in a side. Since it is the MNF game, we could be interested in the Eagles being a 2nd leg of a teaser at +8.5 or better and we do lean OVER.

Byes: Cincinnati, Dallas, Kansas City and Tennessee
